To Whom It May Concern:

It is my pleasure to be recommending Margaret Claypool as a candidate for a teaching position in your school district. I have known Meg for the past 5 years as an Algebra teacher. Ms. Claypool is an outstanding member of our profession. She is a very hard worker, dedicating many extra hours to ensure the success of the children she serves. She loves to be in the classroom making a difference in the lives of our youth.

During the time I worked with Ms. Claypool at Crescent Elk Middle School many things stand out in the way she approaches teaching. Meg has very good classroom management skills and can step into just about any teaching situation effectively and successfully. She is the department chair for mathematics this year and is also the co-coach of our afterschool math team. Meg loves math and is always seeking new professional development opportunities to improve her instructional delivery.

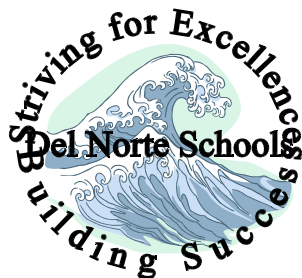

Without reservation, I would recommend Margaret Claypool as a candidate for a teaching position in any district she is interested in teaching in. If you have any further questions, do not hesitate to call.

Sincerely,

William Hartwick
Principal, Crescent Elk Middle School
